

Lamb of God

Ron Boosalis

Dm Em Am
When I think about the Lord and all I have
Dm Em
You know my past has been erased.
Am
Now I'm walking by his grace.
Dm Em Am
And the things of this old world they fade away,
Dm Em F G
For in him all things are changed by the power of his name

Dm Em Am
He's the Lamb of God, Kings of Kings, Star of David
Dm Em Am
First begotten of the dead, Holy One,
Dm Em Am
My God, the Messiah, captain of our salvation,
Dm Em Am
First and last, bread of life, and he's my Lord.

Dm Em Am
There are Kings who come to power then they fall
Dm Em
But there's one who stands alone,
Am
Seated at his father's throne.
Dm Em Am
But to those who call upon his holy name,
Dm Em F G
Yes to them he gave the right to be children of the light.

Dm Em Am
He was born into this world so he could die
Dm Em
Freely gave his life away,
Am
It was his choice to be made
Dm Em Am
He could easily have left us all behind,
Dm Em F G
But because his love is great, we will rise to celebrate.
