

You Were There

Sally Bentley/Miriam Jenison

D² A^{m7} G A² A
From ancient history You set Your sights on me You formed my destiny to make me Your own
D² A^{m7}
While yet unformed was I, Conceived in sin to die
G A² A
But the Apple of Your Eye Such grace You have shown

D² A^{m7}
(chorus) You were there — seeking out my very heart
G
You were reaching from the start
A² A
Seeing every sin, but still You chose to love and save me
D² A^{m7}
There, to make my mind conceive
G
And make my heart believe
A² A
Pouring grace and love and all the blessings that You gave me

D² A^{m7} G A² A
Jesus both God and man You fulfilled the whole plan You died but rose again that I might live too
D² A^{m7}
You never sinned or lied and yet were crucified
G A² A
It is finished When you cried What more could You do? (to chorus)

(bridge) C^{#m} A C^{#m} A B^m F^{#m/A} G^{maj7} A^{sus} A

D² A^{m7} G A² A
I never could repay the price You had to pay, just live for You each day and walk in Your love
D² A^{m7} G A² A
When facing the unknown, I never walk alone. It's clear I'm heading home to heaven above.

D² A^{m7} G
You'll be there, seeking out my very heart and we'll never be apart
A² A
Then we'll comprehend the fullness of the gospel story
D² A^{m7} G
There, the crowns that we receive we'll cast before Your feet
A² A
Resurrected we, with eyes unveiled will see Your Glory.
