

Valley Bible Church – Music Lyrics

Mr. Soundman

*(A parody of "Mr. Sandman," recorded by The Chordettes)
(1 Thessalonians 5:18)*

Mr. Soundman bring us a dream; make us sound better than we really sing
While we bark orders you show us kindness and make our solos sound their very finest
Soundman, what would we do if you weren't with us just helping us through
Please turn on your magic board
Mr. Soundman, just for the Lord

Mr. Soundman, Mr. Soundman you're all alone; can't find nobody to help you along
So every practice your running miles
Between the artists and the knobs and dials
Soundman we never say how much we miss you when you are away
Please forgive your music team
Mr. Soundman bring us, move us, string us,
Mr. Soundman you are a dream!
