

Show Me How

What's this in my heart, I feel it raging against my soul,
I'm lookin' all around me, but there's no place to let it flow.
What's this in my heart, could it be what I feel for You?
The fire's burnin' inside me, Lord I wanna lift my voice up to You.

Chorus:

**Mighty awesome God of mine
Oh I know You're here with me right now.
Merciful, gracious Lord You are,
Just show me how, show me how.**

What's this in my heart, I don't know where to begin,
Adrenaline's racin' through me, Lord I know that we can win.
What's this in my heart, please guide me through my trials,
Oh I wanna feel Your Spirit, let Your light shine through me Lord forever more.

(Chorus 2x)

Show me how
Oh Your Word tells me how
