

Valley Bible Church – Music Lyrics

That's The Way It Really Is

*A Parody of "That's The Way It Is," recorded by Celine Dion
(Luke 9:23)*

God knows your mind, He made you for His glory
He sees what your gonna do
You've been a slime, there more than feeling sorry
But He won't give up on you, no

You must surrender, deny yourself
And take up your cross

If you want it, you're close; there's an easy way out
When your ready to give your heart to the Lord
His grace will give you your faith
His love comes to those who believe Him
Really, that's the way it is

When you question life, there's a simple answer
Most don't know what to pray, no
But it's plain to see, if your life you transfer
To the Life, the Truth and the Way, yeah

You must surrender, deny yourself
And take up your cross

If you want it, you're close; there's an easy way out
When your ready to give your heart to the Lord
His grace will give you your faith
His love comes to those who believe Him
And that's the way it is

If your life is empty with too much sorrow
You don't know when your heart will fall
Maybe there is no tomorrow
God's love gave His Son for us all, all

If you want it, you're close; there's an easy way out
When your ready to give your heart to the Lord
Eternal life comes through faith
God's love comes to those who believe Him
And that's the way it is

Valley Bible Church – Music Lyrics

If you want it, you're close; there's an easy way out
When your ready to give your heart to the Lord
Eternal life comes through faith
God's love comes to those who believe Him
Really that's the way it is

That's the way it is
That's the way it is, really
Eternal life is through faith
The Lord comes to those who believe Him
Really, that's the way it is.
