

They Couldn't Know

Chorus:

**They couldn't know the blessings they were building
They couldn't see the hearts their work would touch
They only prayed for lives that would be changing
That's why they chose to sacrifice so much**

It wasn't a building they cared about
Of wood, and metal and stone
The eternal unshakable kingdom
Was what they were focused upon

(Chorus)

Today we reap the blessings
For gifts shared way back then
Tomorrow our children's children
Will thank us for what we have giv'n

**We cannot know the blessings we are building
We cannot see the hearts our work will touch
We only pray for lives that will be changing
If we too will sacrifice so much**

How firm a foundation ye saints of the Lord
Is laid for your faith in His excellent Word
He'll strength thee, help thee, and cause thee to stand
Upheld by His righteous omnipotent hand

That's why they chose **(2x)**
That's we choose to sacrifice so much
