Twist for Ease

*A parody of “The Siamese Cat Song” from the Walt Disney movie “Lady and The Tramp”
(2 Peter 3:16)*

We are twist for ease if you please
We are twist for ease if you don't please
Scripture twisting is a lot of fun to do
Makes life easier for me, for you

Do you see the part that says serve with whole heart?
Serving others is so hard, can't be my part
To learn to serve, I serve myself, yes, this will do
Serving me comes first, then perhaps some for you

We are twist for ease if you please
We are twist for ease if you don't please
Scripture twisting is a lot of fun to do
Makes life easier for me, for you

Oh, observe the words "wives, submit to husbands"
This submit must be for wives who are very dumb
I am smart so when he's right I will obey
When he's wrong will be wise and choose my way

We are twist for ease if you please
We are twist for ease if you don't please
Scripture twisting is a lot of fun to do
Makes life easier for me, for you

Do you read the Bible says to give at church?
Leaves no money when I want more pants and shirts
What to do I wring my hands, oh what the heck
If some is left after I shop, I write the check

We are twist for ease if you please
We are twist for ease if you don't please
Scripture twisting is a lot of fun to do
Makes life easier for me, for you
