

You Are My Lord

You are my Lord
You're called Emmanuel
The Holy One
My loving Redeemer

I am persuaded there is nothing
That can separate us
No height nor any depth
There is nothing that can keep us
From Your love

*Oh, precious King
Ruler of everything
Lamb of God
Who shed His precious blood

*When I think about Your heaven
And all the work of Your hands
It makes me stop and wonder
Just why You consider me, my Lord

You are my Lord
You're called Emmanuel
The Holy One
My loving Redeemer

I am persuaded there is nothing
That can separate us
No height nor any depth
There is nothing that can keep us
From Your love
