Blowin' Like The Wind (John 3:8)

In 1964, Bob Dylan proclaimed the answer to man's problems was "Blowin' In The Wind." In contrast to this flawed answer to symptoms that are rooted in the real problem of man, that is sin, God's Word tells us that spiritual change comes through the work of God's Spirit. Jesus put it this way, "The wind blows where it wishes and you hear the sound of it but do not know where it comes from and where it is going; so is everyone who is born of the Spirit" (John 3:8).

God's Spirit moves in the life of men to bring them to submission to God's will, which in turn will allow them to act in love toward their fellow man. The solution to man's difficulties is not merely blowin' in the wind, but is found by seeking the Lord's saving work in our lives. Through this, the world will be a truly better place.
