Abomination of Desolation
Matthew 24:15
Dale Whitehead

Introduction: Jeremiah 30:1, Jacob's distress, this is the same time that Jesus is speaking of the great tribulation. The world is waiting for better times, which are not coming. The tribulation is coming, the worst of times.

The "Abomination of Desolation" is a very specific event. There are four passages in Daniel that tell of this event.

Daniel 11:31 tells of the Persian Empire, the rise of Alexander the Great, and the four kingdoms that come from Alexander's kingdom after his death.

In 1067 B.C. Tiacus of Pithany set up an altar to Zeus in the Temple and sacrificed swine flesh in the temple.

Daniel 8:18, a repeat of the prophecy.

Daniel 9:27 and **12:11** speak of the great tribulation (**Revelation 13**).
