**Study Aid for the Sermon from January 19-20, 2002**

**"The Christmas Story from Paul's Perspective"**

**Observing the text**

What is the name that Christ has been given?

What is the significance of that name?

Why does Paul say that it is above every name?

Read Isaiah 45 and try to apply what you read to Philippians 2:9-11.

How was the gospel presented to you? Did you understand this?

Can you say at this very moment that you are presently honoring Christ as Lord by the way you are living your life? What changes if any do you need to make?
