“Jesus’ Trial and Peter’s Denial’s”

Observing the text

Read John 18:12-27 and make as many observations as possible.

What are the two dramas that are being interwoven throughout this section of Scripture?

Why would the Jews bind Jesus?

Why would the Jews have taken Jesus to Annas before Caiaphas?

What was the significance of the words of Caiaphas that are recorded for us in John 18:14?

Applying the sermon

How easy is it for you to identify sin in yourself and others?

How impressed are you with the depth of that sin?

Why might it help to appreciate the depth of that sin to view it in contrast with the perfections of Christ?

How do the Scriptures help us to see this contrast between our sin and the perfections of Christ?
