“Viewing People Properly”
2 Corinthians 5:16-17

Observing the text

Read 2 Corinthians 5:16-17 carefully and make as many observations as possible.

How do these verses fit into the flow of the text?

What did Paul mean when he talked about not knowing anyone according to the flesh?

In what way are those who are in Christ new creatures?

What did Paul mean when he said that old things have passed

Applying the sermon

List a few ways that a person’s thinking might change after they become a Christian.

How did you view people prior to becoming a Christian?

How does your present view of people testify to the fact that you have become a new creature in Christ?

How has this different view been reflected in your actions?
