**Study Aid for the Sermon from July 25, 2010  
“Reconciliation”  
2 Corinthians 5:19**

**Observing the text**

Read 2 Corinthians 5:19 carefully and make as many observations as possible.

How does this verse fit into the flow of the passage?

How did God reconcile the world to Himself?

What is the significance of the word “counting?”

What is the “word of reconciliation” and to whom has it been entrusted?

**Applying the sermon**

When you look at people in this world how do you view them?

Can you remember when you were a part of the world and unreconciled to God?

Knowing that you are now reconciled to God through Christ, how does this remembrance cause you to be filled with praise?

Knowing that you are now reconciled to God through Christ, how does this remembrance cause you to be filled with compassion for those in the world who still need to be reconciled?

What are your responsibilities for ministering the word of reconciliation to those who are still unreconciled?
