

## Valley Bible Church Softball Playoff Information

The top five teams from each league automatically qualify for the playoffs. These ten teams will all play at least one game on next to last Sunday in August in order to potentially advance to the VBC softball championship which will be decided on the final Sunday in August. The top three teams in each league will advance to the quarterfinals. The fourth and fifth place teams will have a play-in game at 5:15 in order to face a first place team at 7:45.

### Tie-breakers

There is a good likelihood of ties. Any ties will be broken first by head-to-head play (if possible) and then by the record against all common opponents (in the event of a tie with three or more teams the common opponent would need to have played all the teams), and if there is still a tie then we will compare the record of each team's opponents, and after that will be a comparison of the record of the opponents of each team's opponents, and finally (though very unlikely) the team that gave up the least amount of runs among first, the common opponents, and last, all the games.
