The Crucified and Risen Christ
Isaiah 53:10-12**

Observing the text

Read Isaiah 53:3-12 and make as many observations as possible.

Where in these verses do we see that the Promised Servant was to die?

Where in these verses do we see why He was to die?

Where in these verses do we see indications that He was to rise?

Applying the sermon

Why do you believe in the resurrection of Christ?

How important is your belief in the resurrection of Christ?

Why do professing believer's say that they have a strong belief in the resurrection but are proven wrong by the way they are living?

If your belief in the resurrection is strong then how is this impacting the way you live?
