**Study Aid for the Sermon from August 16, 2015  
Ungodliness Prophesied  
Jude 14-19**

**Observing the text**

What can we learn about Enoch (Jude 14-15; Genesis 5:18-24)?

What is the destiny of the ungodly ones (Jude 15)?

How does Jude describe the apostates in these verses?

What does it mean that the apostates “follow after their own lusts” (Jude 16, 18)?

**Applying the sermon**

How does the return of Christ remind you of God’s sovereignty?

When have you found yourself grumbling regarding your circumstances? How can you prevent this in the future?

When have you found yourself flattering others in order to gain an advantage for yourself? How can you prevent this in the future?

What does it look like to remember God’s Word on a regular basis?
